Track and Discoveries

of  
H.M. SHIPS ISABELLA & ALEXANDER  
to

DAVIS'S STRAITS & BAFFIN'S BAY

in an attempt to Discover a Passage

into the  
PACIFIC OCEAN.

Commanded by  
CAPT. ROSS R.N.  
Drawn under his Inspection  
by

J. Bushman M.D.C.C.XX.  
1818.  
Water-Gate

Remark

describes the situation of the land according to the latest publication  
and actually seen  
position of the ice  
Ship track from coast to coast the various courses being  
numerous to insert, and consequently the Ship was frequently  
much nearer the land than represented by the traverse.
